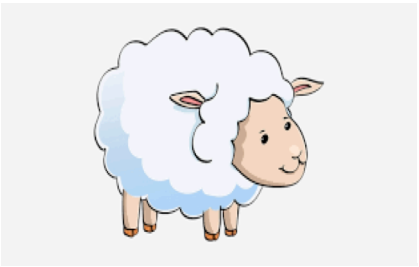
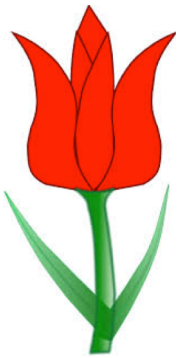
Wednesday 1st April

LO: Use adjectives to plan a spring poem.

Yesterday your task was to draw pictures of signs of spring. Today we would like you to think of some adjectives you could use to describe the tulip, chick, lamb and the chocolate bunny! Draw pictures of each thing and write adjectives around each one. Think about how each thing feels, how it looks and how it makes you feel. Can you add similes? For example 'Daffodils have trumpets like elephants trunks'. The word bank can be used to help you think of ideas. If you drew other things associated with spring yesterday that you would like to describe then by all means add them to your work!





yellow	brown	small	red
fluffy	chocolaty	bleating	crimson
chirpy	yummy	fluffy	happy
tiny	floppy ears	new born	bright
			pointy

An example of how this might look is on the next page… my Blue Peter moment!
