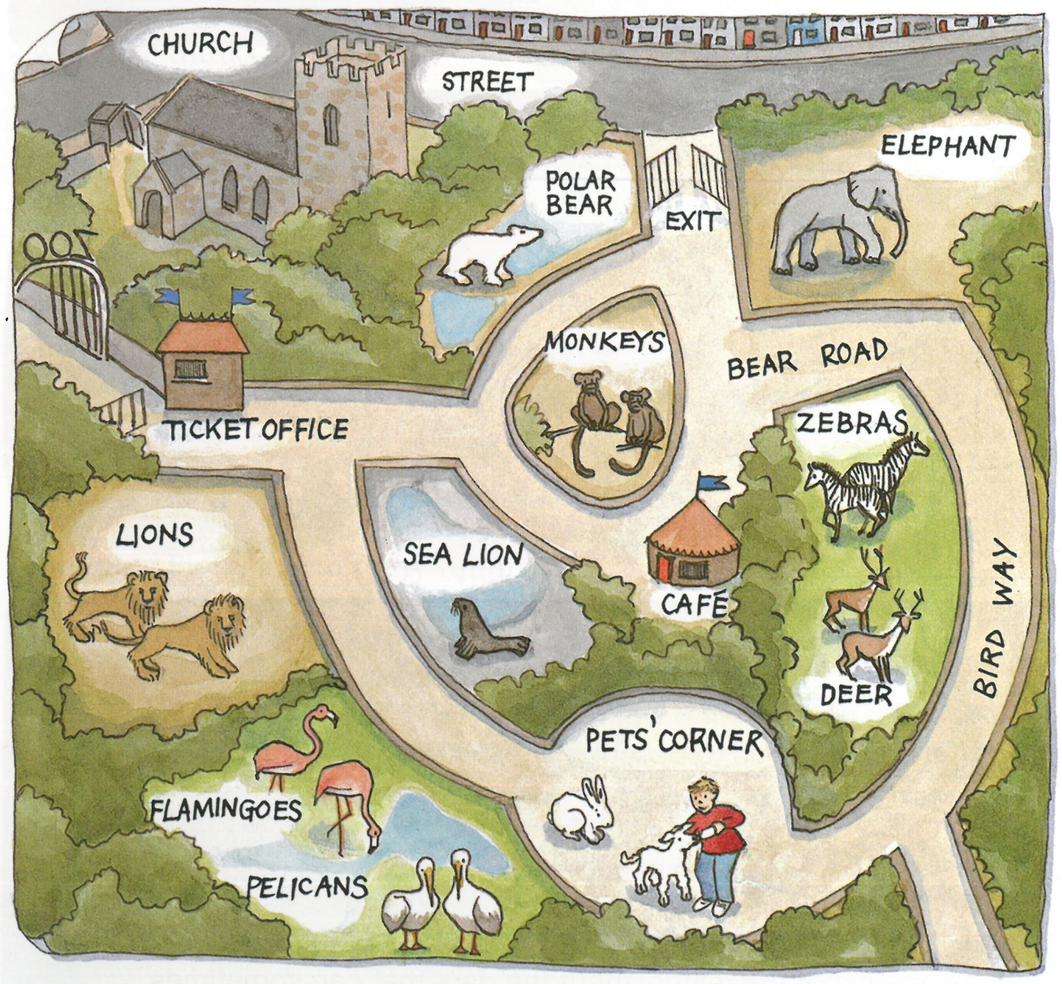
Unit 13

Lost in the Zoo

Dinesh and Indira have been taken to the zoo by their grandparents.

They were having such a good time feeding the lambs that they didn't notice that they had become lost in the crowds.
Luckily Indira had a map of the zoo.



Do you remember?

Green
Yellow
Blue

Copy these sentences. Fill each gap.

1. The children's names are _____ and _____.
2. Their _____ had taken them to the zoo.
3. They were feeding the _____.
4. They didn't notice they were _____.
5. Luckily Indira had a _____.

More to think about

Yellow
Blue

Write a sentence to answer each question.
Use the map to find the answers.

1. Where were Dinesh and Indira feeding the lambs?
2. Describe their quickest way back to the ticket office?
3. Which animals are kept closest to the ticket office?
4. What type of sea animal would they have seen as they walked back to the office?
5. Grandad left a message at the office to meet at the exit. Describe the best route from the office to the exit.
6. Which creatures did they see sharing an enclosure with the pelicans?
7. What animals were sharing with the zebras?
8. If they had gone to the exit straight from Pets' Corner, which two roads would they have walked along?

Now try these

Blue

1. Can you remember ever being lost? Imagine you are Dinesh or Indira and you are lost in this crowded zoo on a very hot day. Write some sentences about how you are feeling and what you are thinking.
2. There is a visitor coming to your classroom. Write clear instructions that tell the visitor how to get from the school entrance to your classroom.
