Group THREE: Just learn the green words and write them into sentences.

GROUP TWO: Learn the green and yellow words and write them into sentences.

GROUP ONE: Learn all the words and write them into sentences.

Spellings:
Write each of your words three times in your homework book to help you remember how to spell them.

Sentence grammar focus:
Choose five words and write five sentences, each containing one of your chosen words.
This week, I would like each sentence to contain at subordinate clause in the **middle** of the sentence. Don't forget to add those commas!

EXAMPLE: Sally, who was usually very good at Maths, could not **remember** her 6 times tables!

Reading comprehension:
This week's reading comprehension ('An Ants' Nest') can be found in a separate link on your class website.

Arithmetic

1. Log in to Mathletics.com (direct link: https://community.mathletics.com/signin/#/student) and complete the assigned activities which I have set for you.

2. Make sure you learn the ten times table. Please also revise the nine times table as we are now using tables more extensively in class.
