English

Today (Tues 24th) we would like you to watch this video on non-chronological reports:

<https://www.bing.com/videos/search?q=ks2+video+on+non+chronological+report+uk&view=detail&mid=B2CF8D8A15253480F2D6B2CF8D8A15253480F2D6&FORM=VIRE> . Why do you think people write non-chronological reports?

Maths

You will have been assigned 2 Maths activities by your Maths teacher. Please log in to Mathletics to do these. <https://community.mathletics.com/signin/#/student>) You can also practice your times tables on Twinkl Go (password FY3095) and go on live Mathletics once you have finished.

History

Over the next few weeks, we would like you to learn all about Motte and Bailey Castles as part of our Normans topic. Today and tomorrow (Wed 25th), research Motte and Bailey Castles on kiddle.co and copy and paste your research into an online word document. To do this:

1. On the internet, type in My USO LGFL
2. Log in using the username and password we gave you last week.
3. Once the page opens up, click on the first link called j2e.com
4. On j2e.com click on j2office, then writer
5. This opens up a blank page for you to write your facts. It is like an online Microsoft word document, but it's even better because we can view all of the wonderful work you have been doing!
6. Once you have finished you need to click rename. The new name must be your name, this will then save the document.

Tuesday 24th March

Extension

- Don't forget to read your books! Can you read for at least 15 minutes today?
- Typing club

Good morning Year 4! Here are the activities we would like you to complete today. Please remember that some of these activities may last for a whole week.

Have a lovely day!

Miss Marchant and Mrs Jeffrey
