**23.4.20 – St George's Day**

**Spelling Rule:**
**This week we would like you to learn a range of spellings from the Year 4 National Curriculum requirements, There is no one set rule for all these spellings.**

| | |
|---|---|
| 1 | **Suppose** |
| 2 | **Quarter** |
| 3 | **Were** |
| 4 | **Position** |
| 5 | **Knowledge** |
| 6 | **Grammar** |
| 7 | **Where** |
| 8 | **Straight** |
| 9 | **Breath** |
| 10 | **Extreme** |
| 11 | **Breathe** |
| 12 | **Experience** |
| 13 | **Height** |
| 14 | **Through** |
| 15 | **Ordinary** |

Practise your spelling words using CAPITAL LETTERS – remember each letter should be exactly the same size!

## English

**Reading Comprehension - St George.**

You completed a St George reading comprehension in the Spring term – we've given you a choice of two to complete today. You can do either…the shorter one is easier. Make sure to try and challenge yourself.

## Maths

You can download a fun activity about St George's Missing Sword – it's a little tricky but have fun with it.

You can also try solving the Mystery of the Missing Horse – it is very tricky as you have to know about decimals (and measures) and we have only just started this in class but give it go – you can ask you older brothers, sisters, parents for help!

If you are finding it too tricky try solving the Mystery of the Missing Shield which you should whizz through…answers are included.

Your Maths teacher will assign two activities to complete on Mathletics three times a week. Please log in to Mathletics to do these. https://community.mathletics.com/signin/#/student)

You can also practice your times tables on Twinkl Go (password FY3095) and go on live Mathletics once you have finished.

## Art and Design

Plan, draw, design and create your own St George's shield. Send us your final ideas!
