Hub 1 – Miss Billington and Miss Lisa – TB children

Same	Different
We will have Miss Billington teaching us in our usual classroom. We will use the same toilets in our classroom. We will have friends from our class in our group. We will be able to play with lots of the toys we had before. We will have PE with Alistair and we will have Gymnastics. We will have lunchtime in the playground. During Choosing time we will be able to play inside or outside. We will bring a water-bottle and spare clothes to school to put on our peg. We will have phonics, maths and other lessons like before! We will be able to play with our friends in our hub like we normally do at Choosing time. We will continue to look after each other and have lots of fun!	We won't have Miss Johnson but we will have Miss Lisa that we know from lunchtime! We can wave at Miss Johnson in the playground though. We will have some children from Mrs Francis's class in our hub too. We will be able to make some new friends! We will start and finish school a little bit earlier. We will say goodbye to our grownups at the gate on Coverdale Road. Our grownups will collect us from the same place at the end of the day. We will come into the classroom, wash our hands and then sit on the carpet. We will have new carpet places. The playground will be chopped up and our hub will have our very own area to play in. We will have lunch in the classroom. If it is a sunny day we might even have a picnic outside. We won't be able to bring books or things in from home, but you can upload photos onto Tapestry if you want to show your friends and teachers things. We won't bring book-bags into school or P.E. kits, but you can wear trainers (even flashing ones!) We won't have music with Miss Rachel or Library with Mrs Pereira. We will have cake for pudding!
