Green: Just learn the green words and write them into 5 sentences.

Yellow: Learn the green and yellow words and write them into 5 sentences.

Blue: Learn all the words and write them into 5 sentences.

Remember you may need to look some of these words up in a dictionary so that you know what they mean for your sentences!

Spellings:

Write each of your spellings four times in your book. Well done with last week's silly sentences – we had fun reading your work. This week staircase your spellings (you only need to do this once not four times).

Handwriting focus:

This week, we give you homework house points for beautiful handwriting. Make sure your short letters are consistently the same size (remember 's' is not a tall letter), descenders are clearly below the line and ascenders are tall!

Arithmetic

Mr Perry's group – learn 9 times tables

Mrs Jeffrey's group – 6 times tables – remember how your 3 times tables helps you.
