Green: Learn the green words.

Yellow: Learn the green and yellow words.

Blue: Learn all the words.

Remember you may need to look some of these words up in a dictionary so that you know what they mean.

Spellings: Write each of your words three (3) times in the front of your homework book to help you remember how to spell them.

This week, we would like you to write a descriptive paragraph about a winter scene. We have provided you with an example to the right but you may choose another one if you like. Include rich adjectives, adverbs, fronted adverbials, relative clauses and powerful verbs

Arithmetic

In class you have completed lots of Times Table Challenges, which have helped you to identify the times tables that you need to practise. Your homework is to write out once, the 9s and the 4s and practise them for next week.

You MUST then practise them!
