

Nursery remote teaching timetable

Monday	Activity
Start of Day	Live introduction to learning for the week delivered via Zoom
Morning activities	Pre-recorded teaching activities to develop knowledge, mixed with guidance/prompt sheets for parents. Follow up activities provided to enhance learning. These activities are pre-filmed by the class teacher to allow families flexibility.
Midday activities	Pre-recorded Early phonics or maths-based sessions. These are a mix of recordings by class teacher and usual resources that would be accessed in class. Follow up activities include pre-recorded demonstrations of activities and guidance for parents.
Afternoon activities	Further knowledge-based activities or follow up to previous sessions. Pre-recorded by class teacher or delivered via usual school resources. Including guidance for parents/children on how to complete the activity.
End of day	Audio story or radio show to develop listening skills. These are the same resources that would be used in class.
