

Matching by size

For this activity you will need:

- Three bears- small, medium, and large
- Three spoons- small medium and large
- Three bowls- small medium and large

Firstly, allow your child to explore all the items. What can they tell you about them?

Next, talk about the sizes using the language: small, medium, large, smallest, biggest etc.

Ask your child which spoon and bowl they think belongs to Daddy Bear, Mummy Bear and Baby Bear.
