

5/3/21 Year 1 English Homework

No spellings or Arithmetic homework this week. Instead, continuing our Arts Week theme, please can you use the square below (or draw your own 10cm x 10cm square) to draw a picture for the question below:

What are you most looking forward to about coming back to school?

Please bring your square with you to school on Monday as all your squares will be joined together to form a Faith Ringgold style patchwork quilt!

In Mathematics you have been set place value tasks. Please only do the tasks that we have set you. If you finish you can do the live Mathematics.

Looking forward to seeing you all next week!
