#### Spellings:

Write each of your spellings four times in your book and then write at least five sentences. Could you fit two or three words in a paragraph as well?

#### Grammar Focus

Sentences should always be words you are not sure off. Remember taking a risk with your sentences is a positive and should be recommended. Include in your sentences expanded noun phrases. Can you use a comma in any of your sentences?

#### Comprehension

This week's homework is based on our poetry work and you have a set of questions on one of our poems of the week – The Magic Box

*Using the style of the poem could you list five items that you would like in the box?*

#### Arithmetic and times tables

**Mr Perry's group** – The mathletics for my group are tasks are based around short multiplication in the written (column method) we are focusing on multiplying 3 digits by 1 and you should be focusing on how we 'regroup' and carry over the methods.

**You should now be working on getting confident on all times tables up to 12**

**Mrs Jeffrey's group** – Will be revising their three and four times tables .

There are children falling behind in both groups with their mathletics. Please ensure that you are all caught up by the time we break up for Christmas.
