

# 10/3/22 Year 1 Arithmetic Homework

Order the three numbers from **smallest** to **biggest**:

$$\square < \square < \square$$

Order the three numbers from **biggest** to **smallest**:

$$\square > \square > \square$$

**Challenge:** Use the four numbers to complete the statement.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50

$$\square > \square > \square > \square$$
