

Rule:

Next week we will be learning to spell words that have the 's' sound but are spelled using the letters 'sc'. We will learn that many of these words are Latin but that the Romans would have pronounced it as 's' 'k' not as 's'. We know we pronounce these words with a 's' sound.

1	science
2	scent
3	scissors
4	muscle
5	crescent
6	ascent
7	descent
8	scientist
9	scenery
10	scene
11	disciple
12	discipline
13	adolescent
14	fascinate
15	resuscitate

Green: Just learn the green words and write them into 5 sentences.

Yellow: Learn the green and yellow words and write those 5 into sentences.

Blue: Learn all the words and write those into 5 sentences.

Remember you may need to look some of these words up in a dictionary so that you know what they mean for your sentences!

Spellings:

Write each of these words four times in your homework book to help you learn them. Don't forget to use different spelling strategies to help you remember them. This week's additional task is to Doodle Spell – choose 5 of your words and doodle/draw a picture to show the meaning.

Grammar focus:

Please write sentences that include our work this week on 'fronted adverbials' and include them in your sentences.

e.g.

As Mr Perry sat sipping his coffee, he asked Ella to hand out the scissors.

Or

While the scientist prepared his equipment, the students got their books.

Arithmetic

Mr Perry's Maths Group – please learn the 6 times table

Mr Faith's Maths Group – please learn the 3 times table

It is very important to practice times tables at home. Tasks we set in school will help but the only way you will get confident in them is to practice them at home.

Mathletics – Please complete tasks set on Mathletics. We are aware that the Mathletics work looks different on different devices. Each teacher will set work according to the class learning from that week, but will also add tasks that may link to learning from previous work as well.

Mathletics can be accessed by PC/Mac, iOS and Android devices as well as Windows tablets and Chromebooks - on the laptops at school we find that it works best using either the Microsoft Edge or Chrome browsers. Please complete the work set by Tuesday next week.
