Tue 31 Oct**

F1 CAR

**Draw
or model your
dream F1 car to be
judged by an engineer from
Red Bull Racing!**

Rules:

The most important rule is - there are no rules! You can use anything you want to create your entry, whether it is drawing or glueing cardboard. Bonus points for using recycled material!

How to enter:

Simply take a picture of your design and send it via email to hammersmithlibrary@lbhf.gov.uk or submit a physical copy to the library. Tell us your name, age and why you wanted to enter this competition for a chance to win our prize!

Prizes:

Your design will be judged by our team and a member of the Red Bull Racing engineering team. There are 3 prize categories for each age range (under 8s and 8+):

- Most innovative design
- Best engineered car
- Overall winner

Book vouchers are provided as prizes, with £5 vouchers for the first 2 categories and £10 for overall winners.

If you're stuck:

We've created a list of components and things to consider while designing your car so you have somewhere to start from. If you're still unsure, ask your teacher, look for resources, talk to someone - don't be afraid to be ask for help! Feel free to contact us at melissa.bustamante@spgs.org to speak to one of our team members.

HAVE FUN AND BE CREATIVE!
