

CONSULTATION ON PROPOSAL TO CHANGE ADMISSION ARRANGEMENTS FOR ST STEPHENS CE PRIMARY SCHOOL, UXBRIDGE ROAD, LONDON W12 8LH

We are consulting on our arrangements for admissions in the 2025-26 academic year and would welcome your feedback.

Please find attached the proposed **Admissions Policy for 2025/26** for **St Stephen's CE Primary School, Uxbridge Road, London W12 8LH**. We encourage applications from all local families, including those of other faiths or no faith.

The draft admission arrangements will also be available on the School's website: [Admissions - St Stephens \(ststephensce.lbhf.sch.uk\)](https://ststephensce.lbhf.sch.uk). The Governing Body would be pleased to receive any comments you may have by Friday, 19th January 2024 - governors@ststephensce.lbhf.sch.uk

Please note that the following changes are proposed:

- After Looked After Children and Previously Looked After Children, priority will be given to children who have a sibling attending the main school at point of entry (we have removed siblings under the foundation and open places).
- Remaining places will then be allocated in proportion, 67% Foundation places and 33% Open places (where there is a need to round numbers, we will favour Foundation places).
- Children of staff will be prioritised within the Foundation and Open place allocations, after children deemed by the governors to have social or medical needs.

Yours sincerely the Admission Committee
