

Be Cool Mankind – Benjamin Zephaniah

BE COOL MANKIND

My love for you
Is oh so true,
Be good mankind, be good mankind,
And let us be as one people,
Be good mankind, be good.

Let's live some more
Abandon war,
Be safe mankind, be safe mankind,
And let us live our dreams people,
Be safe mankind, be safe.

There is one race
The living race,
Spread love mankind, spread love mankind,
And let's be peace and love people
Spread love mankind, spread love.

Don't get me wrong
My love is strong,
Be cool mankind, be cool mankind,
And let us live as one people,
Be cool mankind, be cool.
